

**IN THE UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF ARKANSAS  
WESTERN DIVISION**

**CHARLES E. ASKEW**

**PLAINTIFF**

**v.**

**No. 4:19-cv-114-DPM**

**ROCK REGION METRO; CHARLES  
FRAZIER; CHARLES JACKSON;  
DONNA BOWERS; and WILSON VAUGH**

**DEFENDANTS**

**ORDER**

1. Defendants' expedited motion for a restraining order, *No. 35*, is denied without prejudice. The circumstances don't call for the Court's direct involvement in the parties' day-to-day interactions. And sanctions by the Court aren't warranted. To the extent that Askew threatens anyone, that person can contact the police.

2. Askew's motion to amend, *No. 27*, and motion for settlement, *No. 32*, are denied without prejudice. His claims will be ventilated in due course.

3. The Court construes Askew's motion for jury, *No. 39*, as a jury demand. It's granted.

4. All material things considered, this case would benefit from Askew having appointed counsel. The Court appreciates Magistrate Judge Ray's willingness to handle the appointment of counsel and all

pretrial matters, including a recommendation on any dispositive motion. The case is referred.

So Ordered.
